Product Description

Bushmen Pocket knife has all of the tools that should have in your pocket.

It's small, durable and always at hand.

It's useful when you have to fix something, on the way or during the picnick.

It's your everyday pocket assistant.

Available in two color versions: red and black

Blades

Two usefull blades: long (70mm x10 mm) and short (45 mm x 8mm) with classic opening system.

In the baldes and all of the tool (excloudnig corkscrew) there is an indentation for easy opening.

Full open is confirmed by characteristic “clik”

Openers

Useful bottle and can openers.

Screwdrivers

Two flat screwdrivers dedicated for screwing/unscrewing and as a levelers.

Owl

Convenient tool for working with tied ropes and leashes. It’s useful also to make holes, reeves etc.

Scissors

Nail scissors that can be used also for small repairs.

Corkscrew

Must have on every picnic.
