Product Description

Flashlight DUO

A simple and handy flashlight that quickly converts to a lantern – just twist & pull the ring.
1W LED provides enough light to absolutely most of camping and travel purposes.
The orange ring makes the flashlight easy to find and warms up the light so it is eye-friendly.
As a torch, Flashlight DUO has particular construction features like:

Low Power consumption – 100H of permanent lightning *

antislip handle surface

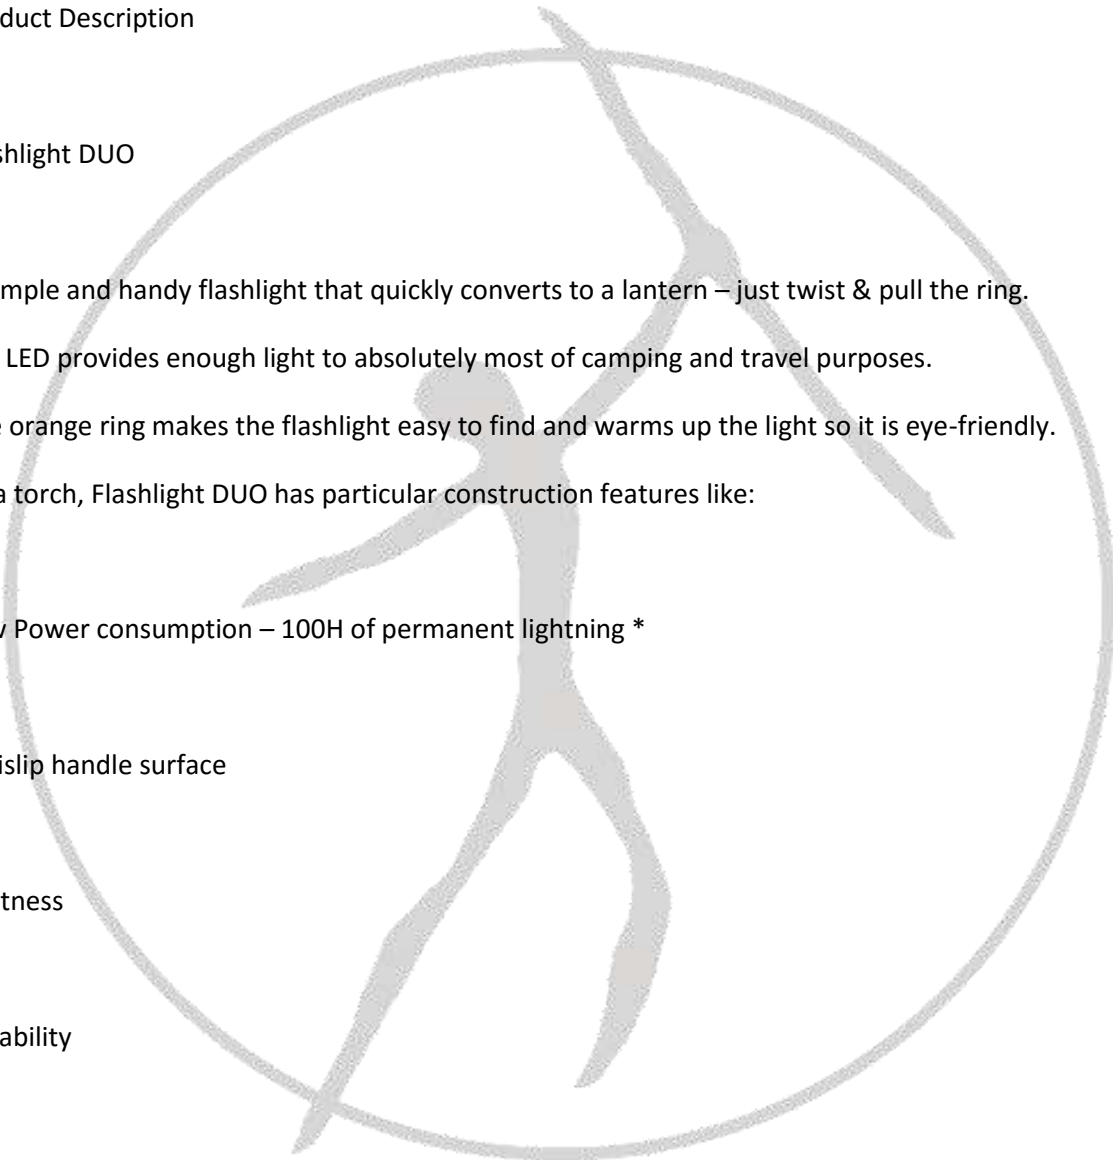

lightness

durability

water resistance (IP 44),

that could come in handy on any outdoor excursion.

As a lantern, Flashlight DUO provides comfortable light to arrange and find things in a tent and nearby.

The spotlight is zoomable so it can light up the objects up to 50 m.

The hook can be easily mounted on both sides of the lantern depending on the situation. It is important especially if you want (or not) to light up the place just below the lantern.

Instead of packing a lantern and a flashlight, just pack this flashlight DUO for your next trip.

It works with 3 AAA batteries (NOT included)

* Working time test was made base on alkaline batteries in temp. 20 C
